THE ART OF PRESENTATION

style-forward, wireless lamps

Enhance the ambience in any dining occasion with the Lampa Collection from Hollowick. These stylish lamps are designed in Europe and feature intuitive functionality with timeless aesthetics. Available in two styles, Octa and Pirlo, these commercial grade lamps offer a hybrid solution so operators can carry the same tasteful presentation from indoor to outdoor dining tables and will provide the same light intensity for 9+ hours on full charge. With long-lasting, dimmable LEDs, Lampa creates a welcoming environment in both hotels and restaurants.

QUALITY

- Made of Aluminum Alloy for precise construction and assembly
- Commercial grade durability and top-quality UL Listed battery
- Superior finish

ADAPTABILITY

- Dimmable brightness with memory save
- Cool to warm color temperature control

SUSTAINABILITY

- Long-lasting LEDs
- Replaceable lithium battery

discover a cordless lamp that is thoughtfully purposed for hospitality

Simply elegant, Lampa table lamps are designed at the perfect height to provide a sufficient amount of light for menu illumination, yet unobtrusive for table conversation. Boasting a wireless functionality, the exclusive magnetic charging station serves as a theft deterrent, and multi-unit charging solutions create a convenient option for larger venues.
