LION'S WOOD
BANQUET FURNITURE

FOR DESIGNERS, HOTELS, RESORTS, COUNTRY CLUBS & OF COURSE, YOU.

Each piece we create is unique. Find your inspiration and work with our designers to bring your ideas to life!

What We Do

We are creators of tailor-made solutions for Food & Beverage operational challenges. We collaborate at the design and operational level to create exactly what you want for your hotel, club, restaurant or hospitality venue.

Who We Are

Our products come to life through the skilled hands of American men and women, lovingly crafted in our factory nestled in the heart of Baltimore, Maryland. Proudly American-made, our furniture bears a badge of honor that we cherish dearly. It represents our commitment to quality and supporting our local communities.

Our Services

Get Inspired

Establish inspiration for your project. Browse our portfolio and let us know what interests you. It is ok if multiple samples inspire you. We can combine elements of existing designs to make something unique or novel.

Get Started

Receive a preliminary proposal. Although your vision may have differences, we have established a ballpark budget. We will get you to the finish line with simple adjustments.

Get To the Finish Line

Still having difficulty determining what's right for you? Schedule a consultation with our certified Design team for a Design & Build proposal.

PORTABLE FRONT BARS

Experience a new era of portable bar service with our innovative designs featuring a robust stainless steel chassis and polished quartz countertops, representing a one-time capital expenditure that guarantees long-term durability and reliability. These portable bars redefine convenience, offering unmatched flexibility and mobility for any event or venue. Crafted with precision, they not only elevate the aesthetic appeal of your bar area but also streamline the entire beverage service process. Tired and worn portable bars are a thing of the past with our unique construction methodology.
