SYSTEM

MODULAR COLLECTION

Mogogo's flagship collection, The Modular System, allows you to use our generic components in various ways to create endless configurations. The Modular System holds the Classic and Creative Ranges, and a large variety of matching add-ons. Our Classic Range consists of buffet tables and shelves, functioning as building blocks to the Mogogo System. Our Creative Range comes with a curved slim look, offering unique features based on our vast experience in large foodservice operations.

cliX
TABLES

CLIX COLLECTION

cliX is both highly functional and stylish, with the intention to make the lives of our customers a little bit easier. cliX is inspired by the existing strengths of Mogogo's exploring efficiency and storage, from these two function defining parameters came our patent pending quick-lock mechanism. One click to attach and one twist to detach, cliX delivers a product that is easy to assemble and store. Available in three different finishes

Canvas
SHELVING SYSTEM

CANVAS COLLECTION

The Canvas Collection is a modular shelving system, acting as a blank page allowing professionals to accomplish their creative vision. It is ideal as a back bar or for showcasing food and beverages and related products. It combines function with uncluttered aesthetics to create this versatile range of shelving, taking into consideration the challenging requirements of foodservice.

PoLo
TABLES

POLO COLLECTION

The PoLo Tables are lightweight and extremely versatile, born from our unique Modular System. Available in Round, Square, or Oval Tabletop shapes, it offers a wide variety of combinations. This approach allows for the same coffee table to be effortlessly transformed into a bistro or bar table and then into a champagne or dessert station. It provides you with flexibility while also retaining simplicity and style.

Roll'n
SERVICE CARTS

ROLL'N COLLECTION

The Roll'n Service Cart collection starts with core elements. It's an elegant and functional cart with heavy-duty silent casters, and a slick genuine leather covered handle to ride with style. It easily drives from front of the house to the back of the house and anywhere you wish. Adding accessories can transform the Roll'n into a variety of usage, cocktail cart, dessert cart and more.

Gabbit
SIDE TABLES

GRABIT COLLECTION

The Gabbit collection introduces portable side tables for hospitality. These tables fit the Grab & Go serving style, designed to carry around and suitable for a variety of uses in many settings and scenarios. The unique design includes a genuine leather handle for effortless carrying, and the thin metal base easily slides under chairs. The beautiful and durable BHP top come in a variety of finishes - Nero Marquina Marble, Grey Slate and Bengali Mango Wood.

designed for safety

Create an inviting, yet safe food service display with Mogogo's breath guards. Designed specifically for safety while ensuring function, quality and aesthetics, these breath guards are available as attachments to Mogogo's existing modular carts which include self-service and high profile. The self-serve guards are sized to protect the food while the high profile guards are intended for manned stations to shield both the staff and food. In harmony with high quality standards, these acrylic guards provide an ideal solution for the food & beverage industry.

standalone shield to fit any flat surface

The perfect addition to any buffet or station, Mogogo V-Shield Breath Guards can be used on most existing flat surfaces of any length, with features to turn corners and shield the ends. The brushed stainless steel black legs are equipped with magnets, notches, and anti-slip pads for additional stability and a clean gap-free appearance, while the acrylic shields are available in several sizes to accommodate your needs.

END PANELS

The V-Shield end panels are aimed to complete any guard configuration and provide a safe environment for both the guest and server.

CORNER PANELS

The V-shield corner panels are designed to create configurations that require tight corners or a gentle radius, while maintaining a tight seal.
