smooth, modern lines provide a dramatic tabletop statement

Offering a modern departure from the traditional table setting, Sheer takes geometric design to new levels. Cool and contemporary in style, Metro looks equally stunning with its softly rounded corners and curved edges. An ideal complement to the modern ranges of Sheer and Metro, Neo offers a smooth, refreshing take on traditional shape and design. Likewise, Contour offers a truly individual presentation, with seamless lines and a modern twist on round plateware.

float

suspends belief

Appearing to hover just above the tabletop, the unconventional Float creates a new perception of food service, literally suspending belief. A stunning contemporary shape, Float is designed to draw the eye to the dish nestling within its center. With the gentle curve of the rim gradually dipping away, the focus is always on the food.

David Kinch

a daring pattern for a dramatic presentation

Koto, one of Steelite International's most unique ranges, was designed in collaboration with world renowned chef, David Kinch. The inspiration was drawn from ancient Japanese Tenmoku Glazes. These beautiful glazes vary subtly in texture and tone from piece to piece, embodying the craft of the traditional potter. The pieces are hand finished with a rich iron red glaze, which interacts in the kiln to produce a warm, organic, lustrous effect. The deep black textured surface allows food to be perfectly framed, adding drama and contrast to your presentation.
